Good morning Anita

We have an RFA from the province of Ontario, requesting on behalf of the police of jurisdiction to use the Cartier Drill facility as a staging area for the demonstrations taking place this weekend.

Our officials are in agreement.

Subject: FOR APPROVAL - Ontario RFA for Assistance for Law Enforcement Activities

Good Morning Minister,

We now have the formal RFA from Ontario for use of the Cartier Drill Hall parking lot until Sunday January 30. The letter is attached.

As this will not be covered under the omnibus RFA, officials are requesting you contact Min Anand and include the below text:

I note the comments that the assistance of the CAF is in the national interest and that the CAF is considered to be the most efficient federal asset to provide this support due to the time sensitivity of this operation. I am, therefore, satisfied that the requested assistance is in the national interest and cannot be effectively and timely dealt with with any other federal asset except for with the assistance of the CAF.

Therefore, I am requesting CAF support, pursuant to subsection 273.6(2) of the National Defence Act, for the following assistance:

- *Providing infrastructure for use by law enforcement officials.*

Support is required starting 29 January, 2022 until the Ottawa Police Service and its partnering law enforcement agencies have completed their operation, which is expected to be completed by 30 January, 2022 , but may be extended based on an assessment of the situation.

We will not communicate this RFA publicly.

Happy to answer any questions you have.
